Applications are invited for a SKRF-BIOS Cartilage Fellowship sponsored by Shetty-Kim Research Foundation (SKRF- Prof A A shetty, Chairman SKRF). The fellowship will be executed by the British Indian Orthopaedic Society (BIOS) as a part of its Educational Programme.

This three-week specialist Fellowship is open to Orthopaedic Surgeons practicing in India with special interest in Cartilage repair and reconstruction. Fellows will spend 3 weeks in the UK learning various aspects of cartilage pathology and repair.

SELECTION PROCESS & TIMELINE

The selection is based on academic achievements, professional standing and the overall contribution to Orthopaedics and Trauma of the candidate.

Last date of application is 15th March 2019.

The successful candidates will be sent letter of invitation by 30th March 2019. Letter of visa support will be sent by Education secretary once the invitation has been accepted by the Fellow.

FELLOWSHIP BURSARY

SKRF-BIOS will pay £1,500 as Fellowship Bursary. BIOS will provide complimentary registration at the annual BIOS meeting.

All fellows have to arrange their own Accommodation and travel (BIOS will provide logistical assistance). All sundry expenses including visa fees and other arrangements will be borne by the fellows. Bursary will be paid by bank transfer within 30 days of submission of the fellowship report to the educational secretary BIOS.

PRESENTATION DURING FELLOWSHIP

Fellows may want to present a research topic at the BIOS annual meeting. They will be expected to submit the abstract via BIOS website according to the annual conference BIOSCON rules. Selection of papers is by open merit only.

Kindly submit the online application form through Indian Cartilage Society website.
